

St. Anne's Church of Dixon – Finance Council Minutes
June 17, 2025 – 6:30pm

Due to possible thunderstorms and short agenda, Father Capadano called Mandy Boyle and Roger Kraft to discuss changing the meeting to an email meeting. Both Council Members agreed.

Father Capadano asked the Council Members to review the attached reports and "reply all" on approval or questions regarding the Income and Expenses Summary and 2025-2026 Budget.

Mandy and Roger each gave Fr. Capadano a suggestion on parishioners to ask to join the Finance Council. Members need to have a financial background. Fr. Capadano will reach out and ask those individuals if they are interested in serving the parish. A new member would start at the September meeting.

Roger Kraft also suggested adding review of the Cemetery Association and Endowment to the next scheduled meeting.

Once approval is received, Business Manager, Sarah Claussen will publish reports to the parish and notify the Archdiocese of Omaha that the Budget is approved.
